English schools athletes

Congratulations go out to the 4 of our athletes who competed in the prestigious English Schools Championships over 13/14 July at the international stadium in Birmingham. Not only were they representing their schools county, but also our club. It is a great achievement that we had 4 athletes in this National event.

Emma Simpson - intermediate girl's shot put – 4th position with a throw of 10.52m.
Rachel Robinson - intermediate girls 3000m - 8th position in a time of 10m 16.6sec.
Ashley Wren - junior boy's long jump – 12th position for a jump of 5.46m.
Sophie Croft – junior girls 4x100 relay - 7th team position in a time of 52.13secs.

Very well done to all 4 athletes, we are all very proud of you.

Young Athletes League

The team managers and assistant managers would like to thank all athletes that have contributed and participated in this years Young Athletes League. They have been a pleasure to be with on all four meetings and a very good team spirit has been present throughout.

All athletes have taken part in events that possibly might not have been there own choice! (and without moaning) we didn't need to use the mallet, but Fab Lollies and Haribo's came in handy.

Special thanks must be given to all the parents (TAXI DRIVERS). Without their support the team and events would not have taken place.

Good luck to you all for the rest of the season and we look forward to next year.

Funding bid success

The club has recently been successful in a bid to the local network fund for £7000. This is to be used to buy a full new set of Sportshall equipment that will be used for winter indoor training. This will also be used for 2 full days of indoor athletics during October half term, details to follow when available. We will also be putting on some taster sessions to encourage new athletes to the club.

Scunthorpe 10k

This event took place on Friday the 13th and the weather did not let us down – it rained!!

We had 196 finishers with times ranging from 32:23 – 80:57. Well done to all competitors.

A very big thank you goes to the marshals who stood in the rain and helped to keep the road crossing safe.
