

The Newsletter

Of the Scunthorpe and District Athletic Club

Edited by Roger Kimberley-Scott

April 2009

A few months ago coach, Gary Spindley came up with "a daft idea" to hold a multiple event 'Festival of Athletics' during the August Bank Holiday.

Since then coach, Dave Harmes has caught the bug and now both men are making a joint appeal for **YOUR assistance**.

Gary and Dave are certain that recruitment of volunteers is their key to success and would like **YOU** to help them out by simply agreeing to make yourself available at some time during the Bank Holiday.

They've even made the choice simple by providing a 'quick response' form for you to complete and hand to any Committee Member (Road Section or Track and Field) for collation by the Festival Team.

Volunteers

Once Gary and Dave have a list of volunteers, they will work out 'who will be doing what' and let **YOU** know well before the day so that **YOU** know exactly what is expected.

All they are asking right now is that **YOU** seriously consider helping them by completing the form on the next page and handing it in to any Club official / Committee member (Road or Track & Field section) before the end of May.

Volunteers will be required in the following areas:

Tent / Gazebo erection; Car Parking; Equipment movement; Guides; Coordinators; Refreshments provision (for Officials); Refreshments delivery; Race Marshals; Sand Pit Raking; Throws retrieval; Results collection / delivery; Data Input; General Helper.

Design a T Shirt

Gary and Dave would like **every member** to consider designing the Festival T Shirt. Designs only need to be simple and can be drawn in any medium on any paper. Designs do not have to be professionally drawn. It's the ideas that they're looking for. The winning 'idea' will be professionally re-drawn in time for the event.

Apart from the personal pride gained from seeing someone wearing **your** specially designed T Shirt Gary and Dave will award a special prize to the Club Member that comes up with the winning design.

Your Club needs **YOU**
