The winner of each division will be presented with a trophy at the conclusion of the final match.

Composite teams will only be eligible for promotion to Division 1 provided they are registered with UK Athletics in accordance with rule 3.15.

League Points will be awarded as follows:-

8 Club Division=8 / 7 / 6 / 5 / 4 / 3 / 2 / 1 7 Club Division=7 / 6 / 5 / 4 / 3 / 2 / 1 6 Club Division=6 / 5 / 4 / 3 / 2 / 1

At the end of the season, match positions will be determined by the total number of League Points and, if equal, by the total number of match points.

If a tie remains, the number of A string winners will determine the positions, then B string winners, then 2nd places etc.

In the event of there being insufficient teams automatically promoted / relegated, then the League Secretary may conduct a paper match to determine the outcome.

"In the event of the division 2 promotion match being abandoned before the requisite number of events has been completed, the match shall be decided on a paper match. The paper match will take the best two individual performances by different athletes per event for each club. These performances shall be taken from the four league matches of the current season."

When a team is relegated from a National League, it shall take its place, where possible, at the level at which it currently has a team in the league

COSTS INCURRED IN PROMOTING LEAGUE MATCHES.

This year's financial position will enable us to reimburse up to £300.00 towards the costs for each match. We know that this leaves some clubs having to meet excess costs, but it is the best compromise we can offer. Please note however, that the claim must be made within a **month** of the fixture date, this allows clubs to claim without waiting to receive an invoice for the track hire costs.

All claims not received by the due date, will be taken as a donation to the League.

Those clubs involved in the promotion of Inter-Club Championship events are subject to different arrangements.
